# INTRODUCTION

Etihad Blue Contracting Company is a highly diversified conglomerate with successful business entities in Middle East and India.

Founded as Ittehad Group in 2009, Etihad Blue Contracting Company is to become a key contributor in gulf regions economic standings. With core operations in engineering products and services, Etihad Blue Contracting Company provides professional and technical solutions to deliver safe, cost-efficient contracts to serve for the ultimate satisfaction of our esteemed clients.

Etihad Blue Contracting Company is now competing and thriving in both domestic and global markets by combining the expertise and resources in India, United Arab Emirates and Kingdom of Saudi Arabia.

# VISION AND MISSION

*"Being good is good business."* - Anita Roddick

## VISION

To become the most preferred contractor and industrial services provider in the Middle East with focused energy and synergy.

## MISSION

Our mission is to provide the highest-quality workmanship possible. We succeed at this because of the integrity of our subcontractors and staff, our commitment to a solid work ethic, and our passion for staying current with the newest innovations of our industry, with consideration for the environment.

# OUR VALUES

## CUSTOMER FOCUSED

We focus on unparalleled customer service and satisfaction in first approach.

## SAFETY

We strive towards a safe and secure working environment implementing our highest safety standards.

## INTEGRITY

We adhere to the highest ethical principles promoting respect, honesty, and fairness.

## QUALITY

We foster to deliver value to customers with the highest quality.

## SUSTAINABILITY

We balance economic, social and environmental demands of this smarter world by acting responsibly.

# OUR CULTURE

**“CORPORATE CULTURE MATTERS. HOW MANAGEMENT CHOOSES TO TREAT PEOPLE IMPACTS EVERYTHING FOR BETTER OR FOR WORSE”** –Simon Sinek

## TRANSPARENCY

We believe transparency in the workplace improves productivity, stimulates innovation, and enhance employee and customer satisfaction.

## TEAMWORK

We foster collaboration, mutual respect, and empathy to motivate our team members who deliver value to our customers.

## CONSTANT IMPROVEMENT

We actively listen to feedback from our team members and clients to improve operational excellence.

## DIVERSITY

We believe diversity inspires creativity and empowers people with numerous opportunities thereby helping them to discover how they can make an impact.

## GIVING BACK

We find a personal sense of joy and fulfillment through our charities which make a difference to any community. We inspire to create a ripple of positive impact through our contributions.

# OUR SAFETY POLICY

Etihad Blue Contracting Co. pays every importance to good health, safety performance at all areas of operations to achieve business objectives. Management is committed to take an integrated approach where managing health and safety forms as a part of the overall business Strategy, protection of human resources, properties, environment and the same commitment will be demonstrated by all levels of supervision in the organization.

Vigorous efforts will extend prevention of accident in all possible ways and implications. We consider the same as an important element in our construction process and are the direct responsibility of our Projects Management Team. We will at all times comply with applicable Saudi Government regulations, guidelines and industry norms.

Etihad Blue Contracting Co. assures that projects will be carried out with high degree of safety to attain this objective. Our projects management will thrive to provide a safe and healthy environment that is free from recognized potential hazards and will maintain its facilities and equipment at maximum safe operating Standards.

This safety program provides specific direction related to the anticipated hazards and sound advices to achieve the maximum safe and healthy work environment.

Etihad Blue Contracting Co. also addresses some of the administrative methods that we have established in line with all Standards relevant to our Clients requirements.

Knowledgeable and safety conscious employees utilizing safe techniques, equipment practices are the corner stone for the success of our goal. All members of our organization are well aware that safe work practices take precedence over shortcuts and expedient actions.

They have moral, legitimate, legal responsibility to follow our established standards indicated in this program.

Management and employees are bound to agree that safety is moral, legitimate, obligation inline with business objectives and instructions of Construction Safety Manual and other related requirements. We will also adhere to the additional measures, which protect injury of personnel and damage to properties.

**MOHAMEED BABUDDIN AHMED**

**CEO**

# OUR QUALITY POLICY

It is the objective of Etihad Blue Contracting Co. to provide customers with services, which will meet and exceed the high standards of Quality & Reliability essential to the safety and application needs and expectations of our company's and customers requirements.

Etihad Blue Contracting Co. wishes to maintain and improve upon their leading position in the provision of quality services within construction and related industries.

To achieve this objective Etihad Blue Contracting Co. will maintain an effective and efficient Quality Management Systems and will be monitored and continually improved for effectiveness where required.

Etihad Blue Contracting Co. has and implemented Quality Objectives for each Department that are both achievable and measurable. These objectives will be reviewed and assessed during the course of the year and Etihad Blue Management System will provide the frame work for these reviews and assessments.

Etihad Blue Contracting Co. shall review its Quality Policy for continuing suitability at regular intervals and any changes made will be understood, implemented and maintained at all levels of the organization.

Etihad Blue Contracting Co. will also strictly adhere to all current Safety Guidance Notes and Regulations.

As CEO I will personally ensure that this policy is understood, implemented and maintained at all levels of organization as Etihad Blue Contracting Co. firmly believes that leading from examples is the key to Quality.

# OUR SERVICES

WHAT WE DO WITHIN GULF

- Steel Structure Fabrication and Erection
- Tank Fabrication
- Shutdown and Turnaround Maintenance
- Piping fabrication / erection / modification
- Civil construction and Maintenance Services
- HVAC Services
- Fire Fighting and Fire Protection
- Support Services
- Catering
- Camp Accommodation - Bachelor
- Man power

# STEEL STRUCTURE FABRICATION AND ERECTION

Ethad Blue’s capabilities in steel structure supply, fabrication and erection related to piping, boilers, tanks, or equipment in general.

## SERVICES INCLUDES

- Materials Supply
- Prefabrication (Shop & On-site)
- Site Erection

## PRODUCTS INCLUDES

- Large Beam Sections
- Racks
- Gantries
- Walkways
- Handrails
- Stairs
- Ladders
- Supports

# TANK FABRICATION

Etihad Blue is capable to undertake small site / Shop fabricated tank for oil and utilities industries. All the tanks are designed in strict accordance with customer specifications and international standards, such as API-650 & AWWA D100. We have experience with both carbon and stainless-steel materials. Components are fabricated in our shop, shipped to the site, and erected under the experienced supervision.

- Design & Fabrication
- Repair/ Replacement of the Bottom Plate
- Underground Sand Replacement & Compaction
- Internal/ External Scaffolding
- Blasting & Painting

# TURN AROUND & MAINTENANCE SERVICES

Etihad Blue is developing a dedicated team to undertake all activities related to management, planning, quality control, safety, material procurement, and execution of Turn around & Inspection Shutdown for oil, gas and petrochemical industries in the Arabian Gulf region on lump sum and unit rate basis. Our vast experiences based on our resources will provide high quality services not only routine maintenance, but time-critical repair needs of Refineries/ Petrochemical Cement / power plants process equipment.

- Bolt Torquing and Flange Facing
- Piping fabrication and installation
- Furnace and Heater – Tube replacement
- Heat Exchanger Refurbishment (Re tubing)
- Stationery equipment Repair and maintenance
- In situ Machining works
- Removal / Fixing back of Mechanical Valves / Safety Valves / Control Valves
- Overhauling and Machining of Valves
- Supply and Repair of Trays & Packing Rings

# PIPING

Etihad Blue has started to develop a dedicated skilled team to handle piping projects not only for pre-fabrication but including site erection for all sizes and materials. All our welders and procedures are qualified under international standards for Gaseous Tungsten Arc Welding, Shield Metallic Arc Welding & Flux Core Arc Welding etc.

Materials supply, for pipes and fittings of different materials as below

- Carbon steel
- Stainless steel
- Alloy steel
- Special materials (Inconel, Monel, Titanium)
- PVC
- Shop fabrication of spools
- Prefabrication on site
- Site erection
- Tie-in's
- Valves erection
- Inline instruments erection
- Supports, ladders & platforms
- Pickling, flushing, pressure tests, blowing

# CIVIL CONSTRUCTION AND MAINTENANCE SERVICES
